Re: RD Report
Date: September 13, 2017

Hey trusted servants:

I have been attaching any NAWS mailings that any member can read to my report. If any member can download and read it I am not going report on it unless it is very important. This latest NAWS News has a very important item, price increase for all items except the Basic Text which will be a 5% increase to \$12.10. I suggest you subscribe if you haven't already to be fully informed www.na.org/subscribe. I have handed out the "NAWS News In Brief" and CP Packet re South Florida FIPT Inspection Request. I'd like for you to take the 17 pages and go over it and if you have specific questions I will get the answers you need. In short, any region can ask to inspect the FIPT records and the South Florida Region has done so. The World Board didn't say no to the inspection, but ask for more specifics in their request. Also, the SFR requested other information not pertaining to the FIPT none the less they're ask for information. As this develops we will report to the RSC and the Groups.

The Conference Participants Discussion Board has been talking bout the aforementioned FIPT request amongst other topics such as Non-member donations and general concern for those affected by the recent hurricanes and storms in Texas and Florida. The RD team attended the last Conference Participants Zoom meeting which the WB Chair intimated there are not going to be any WB Motions and that there were 30 Regional Motions. Twenty-five Regional Motions did make the final cut so far and the CAR will be available Nov. 29, 2017. There will also be a survey for the fellowship like the one in the 2016 CAR. There were almost a hundred Conference Participants from around the world and time zones. Content of this interactive Zoom meeting follows:

- What are some of the barriers to building a unified community?
- What skills are most important in cultivating an atmosphere of trust and collaboration?
- What actions can we take to build a unified community?

The RD Team will ask for the funding for the WSLD in October, \$1500.00 so we can either get reimbursed or pay for our trip. We got some inexpensive flights to Monterey by booking early. Hopefully we'll see you soon at your ASC and definitely at the November GSR Assembly.

Dates to remember

- ❖ October deadline for World Board candidates
- ❖ October 27-29 Western Service Learning Days
- ❖ Fall Regional Assembly & TSLD November 11 & 12, 2017 Southwest Area Yuma
- ❖ CAR (Conference Agenda Report) November 29, 2017
- ❖ CAR Presentation – December TBD
- ❖ WSC 2018 April 29 – May 5 2018
- ❖ WCNA 37 August 30 – September 2, 2018

In loving service, Stephen S. 'Definitely'
